AGENT IDENTIFICATION Project

25X1

Enclosed find copy of our letter, Serial No. 14141, sent to Andy on April 18, 1960. At that time we forwarded foils T 1 and T 2 which had been printed in error. Twenty-five each of these foils were to replace foils previously shipped to you in the original order for twenty-five kits. At the same time we forwarded foils H 111, H 112, T 28 and blank foils. These were additional foils to be added to the original order for twenty-five kits.

On 13 November 1959, on your order H, we forwarded additional foils. These foils were A 24-26, inclusive, G 10, B 19-25, inclusive, C 12, C 19, C 22, C 29, C 30, T 13-28, inclusive, with the exception of T 14, H 103-126, inclusive. Item 1 of the Contract required the furnishing of these additional foils.

In January 1961, we forwarded twenty-six packages which you inspected prior to shipment. Twenty-five of these packages were identical in size and contained four each Identi-Kits, complete. The additional package contained one hundred foils of each of the following characteristics: H 105-110, inclusive. These seven widows peaks were improperly printed on your order H and these replacements were furnished at no charge so that the kits furnished on Order H could be corrected. Each of these seven foils was printed approximately 1/4 inch out of register.

If there are any further questions relative to the foregoing, please feel free to contact the under signed. Courtney is ordering some new art work and as soon as he receives the proofs on this he will forward it to your office.

I spoke to [] regarding operating instructions on the devices previously forwarded to you. He has given me a clue as to where I may find the operating instructions. I will try to run these off on the Ozalid machine and forward them to your office tomorrow. In the event that I find they are already in your possession, either Jim or I will contact you via telephone.

Dear Andy,

We have forwarded today, by Parcel Post, the items necessary to bring the original 25 kits up to date. The additional sheets of text are to be included in your original handbooks. They include:

Page 48, which adds Hair Lines 111 and 112.

Page 62, which changes Hat number 1 and 2.

Page 68, which adds Hat number 28.

These are to be inserted directly into the handbook after the removal of the original pages.

Also included are twenty-seven grease pencils.

In addition, there are six (6) sets of foils:

T 1 and T 2 are to replace the foils now being used.

H 111, H 112, T 28, and blank foils are new foils to be added to the kits.

It is suggested that upon removal of the original T 1 and T 2 foils and handbook pages that they be destroyed to eliminate any confusion which might arise at a later date.

Very truly yours,

25X1
